Affirmation
i say here that the following facts are true, correct
and without intent to mislead, and given on my unlimited
liability as a man;

Statements of Facts

Fact #1: That from the time i was forced against my will to hear
the proceedings solely from Courtroom 4 (that was happening in
Courtroom 3) in regards to said case, there were numerous and
frequent occasions when i could not hear the audio while
the prosecutor was speaking, while the (judge) John J. McConnell,
Jr. was speaking, while prospective jurors were speaking;

Fact #2: That the happenings described in Fact #2 happened on
both January 13th, 2015 and January ⁽¹⁴⁾14th, 2015 to a degree
that obstructs my ability to comprehend the substance
of the proceedings; which results in diminishing, impairing and
obstructing My right to due process of law;

Fact #3: that i have at least two witness who verbally confirmed
the same experience to me, in regards to Fact #1 and the dates
in Fact #2;

Fact #4: i believe it is crucial for defense for me to have a transcript of
all the foregoing described proceedings to testify; and i believe no
man or woman has or will verify contrary; John Joseph Fall 12/15/15
